DATA SHEETS

INSULATED WALK DOOR, PRE-HUNG WITH HEADER AND THRESHOLD
PRE-HUNG 4 WAY UNIVERSAL IS STANDARD

Physical Characteristics

SIZES - **Single Doors:** Width for single doors is limited to 4' (40), height is limited to 7' (70). Doors can be made in any size within these limitations.

Double Doors: Can be manufactured up to 8' (80) wide and 7' (70) tall. Double door has astragal attached to inactive panel, has head and foot bolt included in astragal. Right side active panel is standard, may request left side active.

COLORS - Bone White, Polar White, Bronze, Chocolate

JAMB - 3-1/2" 16 gauge steel, with weather seals.

HINGES - (3) 4" x 4" stainless steel fixed pin hinge is standard.

DOOR PANEL - Aluminum frame surrounds the panel and captures the embossed steel skin. 1-1/2" panel has a polyurethane injected foam core. Weather seal included top and bottom in an adjustable aluminum channel. Standard comes bored for lockset at 2-3/4" setback with rectangular latch plate prep.

BLOCKING - Blocked top and bottom for closer standard. HD doo closer recommended when ordered. Blocked and drilled for lockset standard. Blocking for latch guard over lockset is standard. When latch guard is ordered, it is installed over lockset. When deadbolt is ordered, door is blocked and prepped for deadbolt. When panic hardware is ordered, door is prepped at the vertical center point of door. If a 22x36 lite is also ordered, the panic prep is lowered 6" and positioned below the lite.

SKIN TYPE - 24 gauge smooth skin is standard. Cross bucks available in Bone White, Polar White and Bronze. 6 panel available in Bone White and Polar White.

THRESHOLD - Aluminum thresholds are used with this door series. Standard is not handicapped approved, handicap threshold is available as an option.

LITE KITS - Lites often requested are:

1 LB 22x36 no grids

9 LB 22x36 9 lite grids.

15 LB 22x60 15 lite grids

1 LE 16x16 no grids

1 LI 20x24 no grids

(single pane) 1 LA 20x24 no grids

Additional lite kits are available, see the accessory pages for other lite sizes.
